

**Comparative Ethnobiology in Mesoamerica:  
A Digital Portal for Collaborative Research and Public Dissemination**

Attachment		
1	Table of contents.....	1
2	List of project participants.....	2
3	Abstract: Significance to the humanities and innovation.....	3
4	Narrative.....	4
5	Budget and budget narrative.....	7
6	Biographies.....	12
7	Data management plan.....	14
8	Letters of commitment and support.....	15
	<i>Linguists and anthropologists</i>	
	• David Beck.....	15
	• Christian DiCanio.....	17
	• Emiliana de la Cruz.....	18
	• Gabriela García Salido.....	20
	• Yuni Kim.....	21
	• Alex McAlvay.....	22
	• William Merrill.....	23
	• Gilles Polian.....	24
	• Michael Swanton.....	25
	<i>Botanists</i>	
	• Emily Lott.....	26
	• Victor Steinmann.....	27
	<i>Institutions</i>	
	• Gettysburg College Instructional Technology (Eric Remy, director).....	28
	• Civic Actions (Elizabeth Rafel, program manager).....	29
	• Archive of the Indigenous Languages of Latin America, University of Texas	30
9	Appendices.....	31
	• References cited.....	31
	• Collaboration network of biologists (botanists and entomologists).....	34
	• Examples of photographs for website.....	37
	• Example synoptic webpage for ethnobiology: Chapolin (grasshoppers).....	39
	• Example of parallel text: Nahuat – Spanish.....	40
